

## 50kW Modular Energy Storage Cabinet for Data Center

This compact yet powerful energy storage commercial solution provides a versatile building block for distributed energy systems, EV-ready microgrids, and backup-critical operations.

The 50kW Smart Energy Storage Air-Cooled Integrated Cabinet, designed for commercial and industrial applications, features air-cooled thermal management, an intelligent BMS & monitoring system for ...

The BATTLINK 50kWh C& I Energy Storage System optimizes energy use for businesses by reducing costs, enhancing efficiency, and ensuring reliable power. With smart monitoring, modular scalability, and multi-layer ...

The Air-cooled C& I (Commercial and Industrial) Battery Energy Storage System (BESS) Cabinet is a versatile energy storage solution designed for a wide range of users across various industries.

SUNSYS HES L is a modular outdoor energy storage system designed for both on-grid and off-grid applications. It is available in a variety of configurations, to provide the ideal system size for a range ...

Designed to support grid-tied and off-grid scenarios, the Hybrid ESS cabinet offers seamless integration and maximized space utilization, making it an ideal choice for growing energy demands.

Equipped with advanced LFP battery technology, this 50kw lithium ion solar battery storage cabinet offers reliable power for various applications, including commercial and industrial energy storage, ...

Our 50kW 100kWh standard energy storage cabinet is a high-performance and cost-effective energy storage solution that is perfect for a variety of applications, including off-grid power, backup power, ...

The ESS HV 50KW+100KWH is a fully integrated, modular battery storage system. Designed for C& I applications, it combines a PCS, BMS, LiFePO4 batteries, and EMS into a single, sleek cabinet to ...

Housed in a weather-resistant IP55 cabinet, it combines a 100kWh LiFePO4 battery pack with 50kW charge/discharge capability, supporting real-time monitoring and remote control via Ethernet, RS485, ...
