

What makes Longi a great solar company?

And to achieve this, the Chinese technology company is focused on two key things - innovation and forming partnerships. Founded in 2000 by CEO Li Zhenguo, Longi has steadily grown over two decades to become the world's leading supplier of solar PV products and solutions, with one of every four solar modules in use designed and built by the company.

How efficient is LONGi Solar?

Since 2021, the company has broken the world for solar cell efficiency 15 times, with the US Department of Energy's National Renewable Energy Laboratory recently confirming Longi had achieved a power conversion efficiency of 33.9% for its perovskite-silicon tandem solar cell, a world record.

How many solar panels will Longi ship this year?

This year, it is expected to ship 130GW of wafers and 85GW of modules. What's more, Longi is building a growing list of solar power projects, from Lebanon to Pakistan, Jordan to Mexico. Such success over the last few years has seen the Chinese firm's net profit surge by 63% to CNY 14.8 billion, while revenues were up 60% YoY.

When will Invenergy & Longi build a solar module plant?

At the start of 2023, US renewable developer Invenergy announced a partnership with Longi to build a solar module plant with an annual capacity of 5GW in Ohio, USA, expected to begin operation in the first half of 2024.

Founded in 2000 by CEO Li Zhenguo, Longi has steadily grown over two decades to become the world's leading supplier of solar PV products and solutions, with one of every four solar ...

Here's about LONGI (a global solar leader), where you can find longi's details, milestones, globalization, leadership, inventor.

Discover the top China Manufacturer for Solar Generators, serving wholesale and manufacture needs. Choose from a wide array of options to suit your specific requirements, whether you're buying in bulk ...

13 Solar Generator Manufacturers in 2026 This section provides an overview for solar generators as well as their applications and principles. Also, please take a look at the list of 13 solar generator ...

Fast Company listed LONGi as one of the "Most Innovative Companies of 2013 ... for supplying the solar industry with high-quality silicon wafers at low cost." LONGi went public on the ...

Jiangsu Longi Technology Co., Ltd is a leading company specializing in International tracking of photovoltaic panels and components, committed to providing efficient, reliable, and sustainable solar ...

Explore top Manufacturers of Solar Generator China, key fairs, and essential export certifications. Gain

insights into China's solar industry leaders.

Founded in 2000 by CEO Li Zhenguo, Longi has steadily grown ...

When choosing a solar generator manufacturer in China, several critical factors determine their ability to deliver reliable, high-quality products that meet growing market demands. For businesses and ...

LONGi Solar ¥58.2 b in annual revenue in FY 2021. See insights on LONGi Solar including office locations, competitors, revenue, financials, executives, subsidiaries and more at Craft.

Vertically Integrated Solar PV Value Chain LONGi's technological and manufacturing leadership in solar wafers, cells and modules underscores our commitment to helping accelerate the ...
