

OEM manufacturing of 200kW communication power supply cabinets for shopping malls

Dual DSP design provides stable and reliable performance. Reliable parallel connection capability allows for convenient power expansion, supporting up to 12 module parallel connections.

The unit is a non-isolated bidirectional 200kW / 800V DC/DC power converter cabinet solution. Flexible design and application with its 800 Vdc maximum voltage on the high voltage side and up to 400 Adc ...

With CNC laser cutting, integrated sheet metal forming, and intelligent assembly technology, we achieve ± 0.2 mm precision tolerances, ensuring superior cabinet sealing, thermal ...

We are a professional company engaged in electrical automation, committed to providing customers with integrated power distribution and automation solutions for high and low voltage electrical control ...

From complete power and control system design, custom control cabinet manufacturing, and UL-certified panel building, ASG delivers integrated systems that optimize your operations and meet ...

We offer a complete line of power supply cabinets for various applications and industries. Our products are UL, CSA, and CE approved. DOHO is an established power supply box manufacturer that offers ...

We offer full-service OEM and ODM for power distribution panels, control boxes, and specialized enclosures. From concept sketches to laser-cut panels, our team builds what you need, how you ...

Engineered for efficiency, our custom electrical cabinets feature high-quality disconnects, transfer switches, circuit breakers, and other essential components, delivering unmatched reliability and ...

Our standard power supply cabinets offer efficient power processing & synchronous rectification, ensuring cool temperatures & longer runtime. See more!
