Do you say "get off the phone" only to someone who's talking on the phone with someone else? Or can it also be said to someone who's just playing with his phone, gaming, scrolling facebook ...

This is the product of combining collapsible solar panels with a reinforced shipping container to provide a mobile solar power system for off-grid or remote locations.

For example: I caught a fish but it slipped from/off/out of my hands and came back to the river.

Each container with all of the equipment will weigh less than 16 tons. Fully tested before being shipped. Factory will provide free installation support and after sales service. Production time is 4-6 weeks. ...

Hello, Does anyone know what is the difference between "once-off" and "one-off" or whether once-off is used across the English-speaking world? Recently an English colleague corrected me ...

Your choices (get off work, finish work, leave work) will all work fine finishing the question about a normal working day. I don't see much difference in formality, if any.

Yeah. It's not too common though. The two most common formulations are: I get off work at 5. and I get off

Off-grid solar-powered container at port terminals 40 feet

of work at 5. At least where I live, "get off from" is used, but not as readily as those ...

Ditto, and to (2) you could add "I won't be in next week". In fact, you could take a week off trying to decide which one to use . They are all in the same register, and for normal conversational ...
