

Are Yingli solar panels good?

Happy end is in sight: we happily report that the PV modules from the Chinese company panels are good once again and you'll learn more about them in our Yingli Solar panels review. Yingli Solar was founded in 1998 and is headquartered in Baoding, China. It quickly became one of the top players on the market.

Who makes Yingli solar panels?

Yingli Solar is one of the oldest renewable energy manufacturers and has been in business since 1998. The Yingli business model covers the entire production process of the panel. From the raw materials that make silicon solar cells, or ingots, to the backsheets, Yingli strives to ensure that each solar panel is high-quality.

Who is Yingli Green Energy?

Yingli Green Energy is a module manufacturing company founded in Baoding, China, in 1998. It has grown rapidly over the years and has shipped more than 24 GW of panels to over 100 countries. A publicly-traded company (NYSE:YGE), Yingli is one of the world's largest solar panel manufacturers, and at its peak has been the largest panel supplier.

Does Yingli Solar offer a warranty?

Yingli Solar offers an overall limited warranty, a 12-year product warranty, and a 25-year performance warranty. The product warranty will cover any issues such as broken panels or malfunctioning panels for up to 12 years. The performance warranty warrants that Yingli panels will maintain 80.70% of their original power performance after 25 years.
